

24th Week

Sept. 13 - 19

3rd Group

Summer

Its self, ever creating,

Soul-essence of its self becomes aware;

The World-Spirit, it strives forth

In Self-knowledge, revived anew

And creates out of soul darkness

The will-fruit of the sense-of-all

Sich selbst erschaffend stets,
Wird Seelensein sich selbst gewahr;
Der Weltengeist, er strebet fort
In Selbsterkenntnis neu belebt
Und schafft aus Seeleninsternis
Des Selbstsims Willensrucht.

Third Theme:

World and Man;

Consciousness of Purpose.

Self Knowledge "forward and"
